

Meditech Helpful Hints – Dialysis Procedural Nurse and Tech

Status Board (*navigation buttons may be in different order from the below)

The screenshot shows the 'Patients on Location F.FLOAT' window. The main table has columns: Room/Bed, Name, Code, Stat, Visit Rsn, Order, Next Med, B/P, R, and Protocol. A patient 'HWS, MOORE' is highlighted. Orange callout boxes point to various menu items: 'Quick Start', 'Admission/Shift Charting', 'Patient Notes', 'Medication Administration', 'Blood Administration', 'View Labs/Reports', 'Orders', 'Print Pt Information Kardex's and SBAR', 'Home Medications', 'Pt Discharge Process', and 'Set up Patient List'. On the right, a vertical toolbar contains icons for Save (F12), Exit (F11), Lookup (F9), Check Marks, Refreshes, Status Board, Directional Keys, and Page up & down. A 'Plan of Care' button is also highlighted.

Name/Mnemonic Searches: N\ + First 3 letters of the Last Name (Dr. Smith = N\SMI)
 T= Today, N= Now, T-1 – Yesterday, T+1= Tomorrow

Process Interventions

The screenshot shows the 'Process Care Items' window for patient 'E0000066820'. It displays a table with columns: Add, Document, Document, Order, Process, Change, Change, and Directions. Below the table is a list of 'Care Items' including 'Admission Health History', 'Assessments', 'Routine Care', and 'Vitals/Ht/Wt/Measurements'. Orange callout boxes point to the 'Verb Bar Choices' and 'Documentation interventions'.

- Add Intervention (AI)- Ex; BCTA Pre Issue Checklist
- Allergy Link (AL)- Opens Allergy routine
- Change Directions (CD)- Changes frequency
- Change Status (CS)- Changes status A->C
- Edit Text (ET)- creates A note below the Intervention
- Patient Note (PN)- Opens Pt Notes
- Process Meds (PM)- Opens BCMA routine
- View History (VH)- Viewing/correcting Documentation
- Document Now (DN)- Care just NOW given
- Document Intervention (DI)- Documents care given at any time

Meditech Documentation Workflow Huddle Card – Dialysis Procedural Nurse and Tech

This is a general guide for items to be documented.

Please refer to your facility and unit specific documentation requirements.
