

Join HCA Houston Healthcare's Exclusive Patient Care Tech Resource Pool Today!

When you join this special community of patient care techs, you become a part of an entire healthcare system with a deep-rooted, cultural commitment to quality patient care. Resource Pool techs enjoy exclusive facility access, preferred scheduling and much more, including the potential to:

- Receive a competitive base pay and four weeks of paid training through the Star Tech program
- Gain exclusive access and first-hand visibility into what it's like to work at the leading healthcare facilities throughout the Houston metro area
- Amplify your career opportunities and growth potential as a Houston-area PCT

Requirements:

- ✓ Must be a certified nursing assistant (CNA) open to floating between four of southeast Houston's leading hospitals.
- ✓ One year commitment to the PCT Resource Pool upon successful completion of the Star Tech training program.

Don't miss out on this great opportunity! Contact Andria Boyden at 281.793.3157 or Andria.Boyden@healthtrustws.com to join today!
