Wound Care

Changes go in effect 06/18/2025

The **Wound Care** order (WOUNDCAREN.COM) will have a new screen (HCAOMWNCAR0001) to allow for more clarity with multiple, complicated wounds, including burns. These changes were made in collaboration with the Wound and Burn Service Lines and the Provider Product teams.

Wound Care

Number of wound(s)

Location

Cleanse with

Dressing/Treatment (closest to wound)

Dressing/Treatment (layer 2)

Dressing/Treatment (layer 3)

Dressing/Treatment (layer 4)

Dressing/Treatment (layer 5)

Dressing change frequency

May change PRN if soiled/saturated
Yes No

Reinforce dressing if required
Yes No

Re-saturation/soak frequency

Re-saturation/soak instructions

Additional instructions

Number of Wounds:

Works the same way as current. Options 1-10. If 2 or more wounds is selected, more queries populate.

Wound Care

Number of wound(s)

Location

Cleanse with

Dressing/Treatment (closest to wound)

Dressing/Treatment (layer 2)

Dressing/Treatment (layer 3)

Dressing/Treatment (layer 4)

Dressing/Treatment (layer 5)

Dressing change frequency

May change PRN if soiled/saturated

Reinforce dressing if required

Re-saturation/soak frequency

Re-saturation/soak instructions

Additional instructions

Location:

Works the same way as current. Free Text. If more than one wound has same dressings, can enter multiple areas (vertically or horizontally).

Wound Care

Number of wound(s)

Expanse TIP SHEET

Jail Form

The screenshot shows the 'Discharge Plan' interface in the Expanse system. A 'Forms' dropdown menu is open, displaying a list of available forms. The 'JAIL FORM' is highlighted with a red rectangular box. The list includes:

- ☐ BEHAVIORAL HEALTH DISCHARGE
- ☐ CARE ASSURE
- ☐ INFANT SECURITY COMPETENCY
- ☒ JAIL FORM
- ☐ MT L&D TEST FORM
- ☐ MT TEST
- ☐ MY HEALTH ONE
- ☐ NEWBORN DISCHARGE FORM
- ☐ PEDIATRIC ASTHMA ACTION PLAN
- ☐ SUICIDE PREVENTION RESOURCES
- ☐ TEST DC SUICIDE
- ☐ TRAUMA INCIDENTAL FINDINGS

There will be a jail form available for patients being discharged to police custody

The screenshot shows the 'JAIL FORM' form. It has a title bar with a checkmark and the text 'JAIL FORM'. Below the title bar, there are three text entry fields:

- Patient presented with complaint of:** [Text entry field]
- The patient was treated with:** [Text entry field]
- Patient should continue receiving the following treatment:** [Text entry field]

The following fields will be available for free text entry
