

Urgent Care

HealthTrust Workforce Solutions and CareNow Urgent Care Clinics, an HCA affiliated company, have paired up to provide HealthTrust vendor and healthcare professionals the vaccinations (shots and titers), drug screen and mask fit testing that meets HCA guidelines for credentialing. The markets are listed below.

Beginning June 1, 2018, the CareNow Urgent Care Clinics will begin rolling out the new services. The schedule is listed below with the locations.

Attached is a “Personal” checklist that each person should bring to the location to insure the preferred pricing is provided.

See the CareNow HealthTrust Pricing Flyer for rates.
