

**REQUEST FOR MEDICAL EXEMPTION FROM  
VACCINE PREVENTABLE DISEASE POLICY  
TB**

As a patient safety and health care personnel safety initiative, Methodist Healthcare System TB vaccinations. This is similar to other vaccinations that Methodist Healthcare System requires as a condition of employment. Certain vaccinations have been recommended by the Centers for Disease Control for health care personnel and have been shown to be effective in protecting patients from these illnesses and complications related to them. Increasingly, national professional, health care and infection prevention organizations are recommending that health care organizations require certain vaccinations to protect the health and safety of patients, employees, patient and employee family members, and the community as a whole from these diseases.

Medical exemption from vaccinations is allowed for contraindications or precautions identified by the Centers for Disease Control and Prevention. Please complete the form below to request medical exemption for your patient. If you have any questions, please contact the Director of Employee Health or Designee.
